

Realização de Downloads (Assinatura ICMC-USP)

Após o devido aceite dos termos do Microsoft Azure Tools for Teaching e registro de sua conta @icmc.usp.br, acesse o link.

<https://azureforeducation.microsoft.com/devtools>

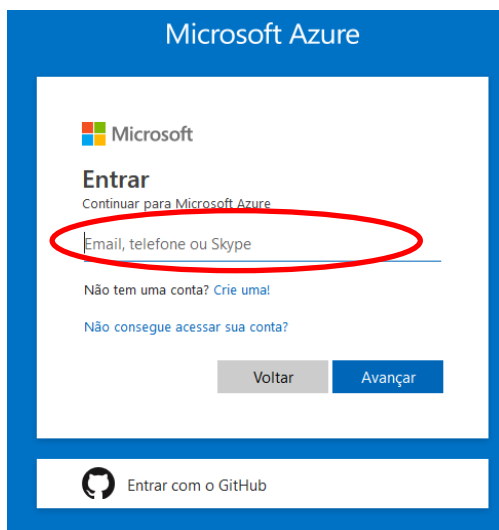

The screenshot shows the Microsoft Azure website interface. At the top, there is a navigation bar with the Microsoft Azure logo and various menu items like 'Overview', 'Solutions', 'Products', etc. Below the navigation bar, there is a section for 'Azure Dev Tools for Teaching' with a 'Sign In' button circled in red. The page also contains a cookie consent notice and a note about using the email from the previous Imagine subscription.

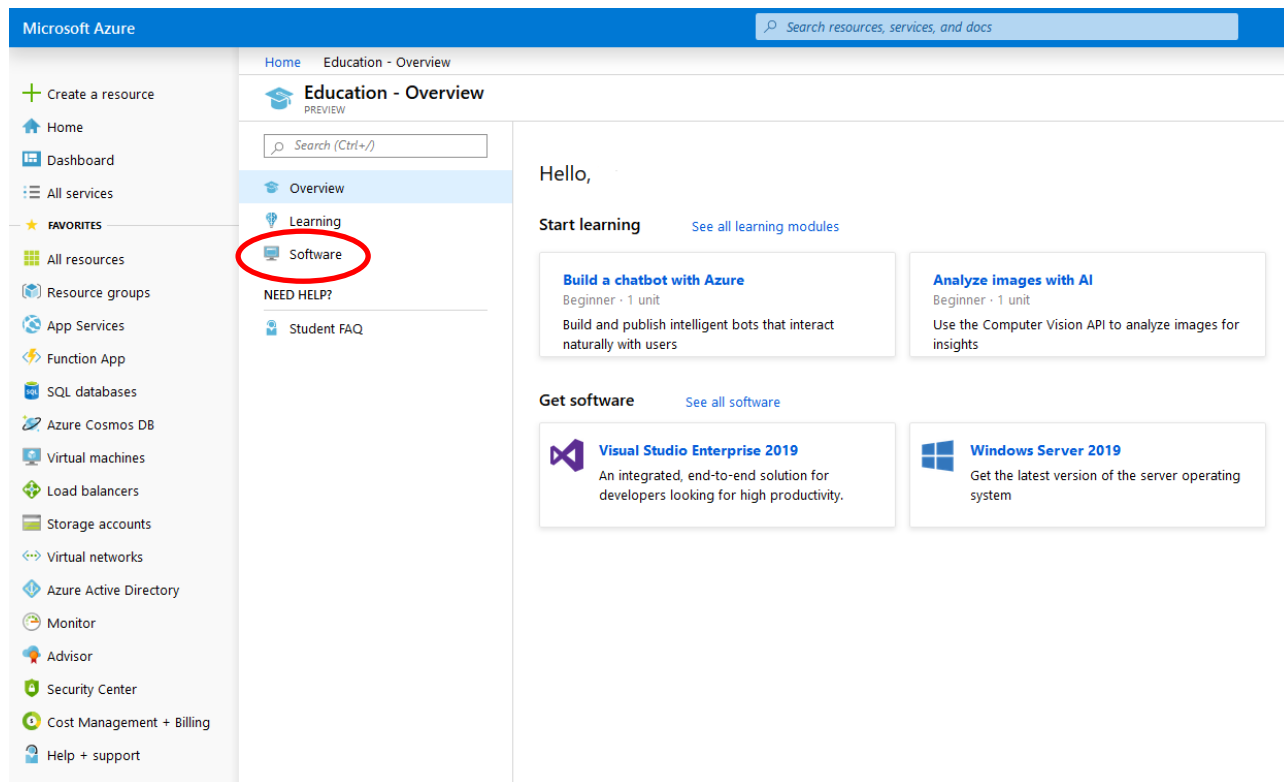

The screenshot shows the footer of the Microsoft Azure website. It is divided into four columns: 'Go Social' with links to Facebook, Twitter, YouTube, LinkedIn, RSS, and Newsletter; 'Microsoft Azure' with links to Solutions, Products, Regions, Case Studies, Pricing, Member Offers, Calculator, Documentation, Downloads, Samples, Marketplace, and Datacenters; 'Community' with links to Blog, Azure Updates, Tech Community, Forums, Events, and Careers; and 'Account' with links to Subscriptions, Profile, Preview Features, and Microsoft Azure portal. There is also a 'Trust Center' section with links to Security, Privacy, and Compliance.

Clique em “Sign In” e entre com as credenciais de sua conta Microsoft utilizada no processo de registro do Microsoft Azure Tools for Teaching.

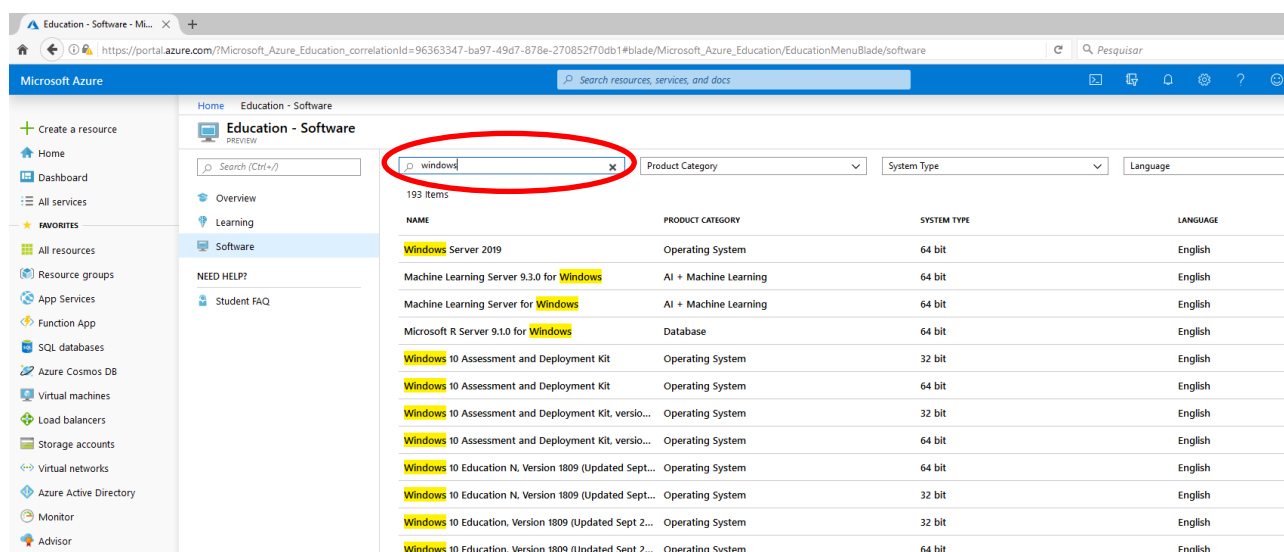

The screenshot shows the Microsoft Azure login page. The page has a blue header with the 'Microsoft Azure' logo. Below the header, there is a white box containing the Microsoft logo and the text 'Entrar' (Sign In). Underneath, it says 'Continuar para Microsoft Azure' and there is an input field for 'Email, telefone ou Skype' which is circled in red. Below the input field, there are two links: 'Não tem uma conta? Crie uma!' and 'Não consegue acessar sua conta?'. At the bottom of the white box, there are two buttons: 'Voltar' (Back) and 'Avançar' (Next). Below the white box, there is a link to 'Entrar com o GitHub'.

Após autenticar-se com a conta Microsoft, vinculada a conta @icmc.usp.br (somente para alunos e docentes do ICMC), clique em Software.

The screenshot shows the Microsoft Azure Education - Overview page. The left sidebar contains a navigation menu with 'Software' circled in red. The main content area displays 'Hello,' and 'Start learning' with several learning modules like 'Build a chatbot with Azure' and 'Analyze images with AI'. Below that, 'Get software' is shown with 'Visual Studio Enterprise 2019' and 'Windows Server 2019'.

Filtre o software, digitando o que deseja.

The screenshot shows the Microsoft Azure Education - Software page. The search bar is circled in red and contains the text 'windows'. Below the search bar, a table lists 193 items. The table has columns for NAME, PRODUCT CATEGORY, SYSTEM TYPE, and LANGUAGE. The first few rows are highlighted in yellow.

Clique no software desejado, dentro da lista filtrada. Uma janela será aberta com a descrição do software e opções para a chave de ativação e download do produto (.iso).

Software
Education - PREVIEW

Windows 10 Education, Version 1809 (Updated Sept 2018)

For this multi-edition Consumer media, use a product key specific to the edition in the list you want to activate. From the desktop, select the Start button > Settings > Update & Security > Activation. Select Change product key and enter your product key. If the key is valid, you'll be asked to confirm the edition change, and Windows then performs it for you. Windows 10 Professional, version 1709 or newer, will need to be installed before using the Windows 10 Pro for Workstations product key to activate the edition. Both Windows 10 Professional and Windows 10 Pro for Workstations product keys will activate Windows 10 Professional, version 1709 or newer media.

Product Language
English
