NOTICE OF OPENING REGISTRATION FOR SELECTION PROCESSES – SVPG/ICMC/USP 002/2024  
INTERINSTITUTIONAL POSTGRADUATE PROGRAM IN STATISTICS – DOCTORATE**

The President of the Executive Committee of the Interinstitutional Postgraduate Program in Statistics at Associação Ampla UFSCar/ICMC-USP announces that registration will be open for the selection of candidates for the Doctorate course of the Interinstitutional Postgraduate Program in Statistics (PIPGES) and establishes the standards for the selection process below.

## **1. GENERAL PROVISIONS**

- 1.1. The selection process will be carried out in two stages: eliminatory and qualifying
- 1.2. Candidates who complete the Master's degree and have their master's degree approved by the enrollment date, as set out in item 4.1, may participate in the selection process.
- 1.3. Future graduates of this course will be awarded the title of Doctor in Statistics.
- 1.4. The selection process will be coordinated by the Program Coordinating Committees (CCP-PIPGES-UFSCar and CCP/CPG-PIPGES-ICMC-USP).

## **2. REGISTRATION**

- 2.1 Registration must be made from 09/10/2024 until 10/14/2024 in the Selection Process Registration system available on the website of the Interinstitutional Postgraduate Program in Statistics UFSCar/ ICMC-USP on the page <https://www.icmc.usp.br/pos-graduacao/pipges/ingresso>.
- 2.2 When registering, the candidate must fill out the requested information and attach the scanned documents listed in Annex I, all being mandatory.
- 2.3 Candidates who need to change any information may submit a new application. Only the last submission will be considered for analysis in the selection process. It is the applicant's responsibility to ensure all information is correct before submitting.
- 2.4 The candidate may, at any time until the final result is announced, request to cancel their registration in this process.
- 2.5 When requesting such cancellation, the candidate is aware that they will be excluded from the process, no longer participating in new phases and/or disclosures that may be made.
- 2.6 To request cancellation, the candidate must send an email to [pipges@icmc.usp.br](mailto:pipges@icmc.usp.br), using the same email used in the registration, identifying their full name and with the following subject: "Request for cancellation of registration – Doctorate PIPGEs 01 /2025".

## **3. THE SELECTION PROCESS AND CRITERIA:**

- 3.1 The selection will be coordinated by the Program Coordinating Committees (CCP-PIPGES-UFSCar and CCP/CPG-PIPGES-ICMC-USP).
- 3.2 The doctoral course is open to candidates holding a Master's degree in Statistics, Mathematics, Computer Science, Physics, and related areas.
- 3.3 It will be up to the Selection Committee to analyze related areas.
- 3.4 Admission is made through a selection process divided into an eliminatory phase and a qualifying phase.
- 3.5 The analysis of the eliminatory phase of the selection process will be based on:
  - Analysis of academic training (postgraduate history) with a weight of 4.0 (four);
  - Analysis of the Lattes Curriculum (academic, research and professional activities) with a weight of 4.0 (four);
  - Master's degree time with weight 1.0 (one);
  - Abstract of a research project with explicit adherence to at least one PIPGEs research line with a weight of 1.0 (one). The abstract must be limited to 1 (one) page.
- 3.5.1 If any of the items are not met, the candidate will receive a score of zero for the item in question.
- 3.5.2 The project abstract can follow the following script: Title; Text body; Bibliography, if necessary.

- 3.5.3 The Selection Committee will analyze the documents attached at the time of registration, and forwarding or changing information/documents will not be permitted after the registration period established in item 2.1 of this notice.
- 3.6 Candidates who obtain a grade greater than or equal to 6.0 (six) will be considered selected for the qualifying phase, following the distribution indicated in item 3.5.
- 3.7 The preliminary result of the knockout phase will be announced by the end of 10/29/2024.
- 3.8 The preliminary result may be appealed, which must be submitted as indicated in item 6.
- 3.9 After analyzing and responding to possible appeals, the list of those classified for the qualifying phase will be published with the names of the candidates.
- 3.10 The announcement of the selection for the qualifying phase will take place until the end of 11/11/2024 and will be made exclusively on the website <https://www.icmc.usp.br/pos-graduacao/pipges/ingresso>
- 3.11 The analysis of the qualifying phase of the selection process will be based on:
- Concept obtained in the knockout phase with weight 6.0 (six);
  - Interview with selected candidates (presentation of the submitted project) with a weight of 4.0 (four)
- 3.12 The interviews will be carried out from 11/18 to 11/20/2024, remotely, and candidates will be notified by email (the email registered when registering for the selection process will be used), containing the date, time and platform to be used.
- 3.13 The following points will be considered in the interview:
- Familiarity with the topic and line of research of interest;
  - Clarity of concepts and exposition.
- 3.14 Candidates who obtain a grade greater than or equal to 6.0 (six) will be considered classified in the selection process, following the distribution indicated in item 3.11.
- 3.15 Candidates will be ranked in descending order of grades.
- 3.16 In case of a tie in the final grade, the tie will be broken according to the priorities:
1. Higher grade obtained in the interview;
  2. Higher grade given to Curriculum Vitae;
  3. Higher grade attributed to Academic Training;
  4. Oldest age in days.
- 3.17 Candidates who self-declare for the reserve vacancies referring to COPG Resolution No. 13, of April 25, 2023 of UFSCar, will also participate in the broad competition respecting the same criteria mentioned above.
- 3.18 The publication of the preliminary results of the qualifying phase is scheduled to take place by 11/22/2024.
- 3.19 The preliminary result may be appealed, which must be submitted as indicated in item 6.
- 3.20 After analyzing and responding to possible appeals, the list of candidates for enrollment will be published with the names of successful candidates within the limit of places offered.
- 3.21 The publication of the final result, with those invited to enroll and the waiting list, if any, will take place until the end of 12/04/2024 exclusively on the website (<https://www.icmc.usp.br/pos-graduacao/pipges/ingresso>).
- 3.22 The successful candidate must express interest in the vacancy by 17:00 pm on 12/11/2024.
- 3.22.1 The manifestation consists of sending the completed form, published on the Program page.
- 3.22.2 The candidate will receive confirmation of receipt of their expression of interest by email within 3 business days. If you do not receive it, it is the candidate's responsibility to contact you for confirmation.
- 3.22.3 The successful candidate who does not confirm interest in the vacancy within the period indicated in item 3.22 and in the manner indicated in item 3.22.1, will be considered to have withdrawn and will lose the right to the vacancy.
- 3.23 After the interest confirmation period, the waiting list will be called, if there are candidates on this list and if there are unfilled vacancies to be filled.
- 3.23.1 The waiting list will only be called once, until 12/13/2024.

#### **4. REGISTRATION**

- 4.1 Submission of enrollment documentation for the PIPGEs Doctorate course must be made between 02/18/2025 and 02/20/2025. Instructions with how and where to submit the documentation will be published in due course by e-mail

to the successful candidates, using the e-mail address registered during registration. The documents required for registration are listed in Annexes III (for Brazilians) and IV (for foreigners).

4.2 Additionally, those approved must register in the ProPGWeb-UFSCar System. Guidelines and deadlines will be sent to those approved by email.

4.3 Foreign candidates can only be admitted and maintained in the Postgraduate courses offered by USP when they present a valid identity document and a temporary or permanent visa that authorizes them to study in Brazil.

4.3.1 Foreign candidates who intend to study for more than one year must present proof of request for an extension of their stay in the country in the last month of validity of their visa.

4.4 In the case of students who obtained a Master's degree outside Brazil, enrollment in the Doctorate will be subject to approval of the requested equivalence in accordance with the documentation indicated in Annex II or recognition of the Master's title with national validity.

4.4.1 Documentation must be presented well in advance to allow time for analysis and deliberation before enrollment.

4.5 For students who obtained a Master's degree in Brazil, enrollment in the Doctorate will be subject to the presentation of a document proving that the student is entitled to the Master's degree in a course recognized by CAPES.

4.6 Candidates who, for any reason, are unable to register within the period indicated in item 4.1 may request an extension of the deadline.

4.7 The request must be made via message sent from the email address used to register in the selection process system to the address [pioges@icmc.usp.br](mailto:pioges@icmc.usp.br), with a message containing the candidate's identification, registration protocol number, description of the reason for the inability to attend on time and an indication of the date on which you can attend.

4.7.1 The request will be analyzed and may or may not be approved.

4.7.2 The request for an extension of the registration deadline will only be analyzed if made by the last day of registration, 02/20/2025. After this period, the vacancy will be disregarded.

4.7.3 The candidate who requests an extension of enrollment and who obtains such authorization is aware that enrollment in subjects can only be done in subjects that have not yet started at the time of enrollment in the course.

4.7.4 Registration for this selection process cannot be carried out under any circumstances in the following semester.

4.8 Candidates who have already started a postgraduate course at USP and were dismissed without defending their Master's or Doctorate and who are approved in a new selection process will have their re-entry considered as new enrollment (Resolution No. 7493, of March 27 2018, Article 50).

4.8.1 In case of re-entry as a new registration, the candidate must present additional documentation at the time of registration, as specified in annexes III (for Brazilians) and IV (for foreigners).

4.9 Candidates who do not meet the previously specified documentation requirements will not be able to enroll in PIPGEs. In this case, the candidate's result in the selection process will have no effect.

4.10 Failure to register will result in the loss of the place, and the candidate must register for subsequent selection processes if they wish to compete again.

## 5. VACANCIES

5.1 10 (ten) vacancies will be offered, and it is not mandatory to fill them in full.

5.2 In compliance with COPG Resolution No. 13, of April 25, 2023 of UFSCar, the following will be reserved:

- 20% (twenty percent), 2 (two), of the vacancies offered for the Doctorate to candidates who declare themselves black and mixed race in a self-declaration document, model in Annex V, completed when registering for the selection process, as per questions used by the Brazilian Institute of Geography and Statistics Foundation (IBGE).
- 01 (one) vacancy for indigenous people who present a declaration about their ethnic belonging, signed by recognized leaders of their respective community, and a declaration from the National Indian Foundation (FUNAI), certifying that the candidate resides in an indigenous community.
- 5% (five percent), 1 (one), of vacancies for people with disabilities following the parameters (Federal Law No. 13,146 of July 6, 2015, Art. 2), with presentation and certificate of proof for people with disabilities from the National Institute of Social Security (INSS).

5.3. In order to be eligible for the vacancies reserved for candidates who self-declare as brown or black, the candidate must indicate on the registration form AND attach the self-declaration, according to the model available in Annex IV.

- 5.4. Candidates who indicate this on the form and do not attach the self-declaration will only compete for vacancies subject to general competition.
- 5.5. In order to be eligible for the vacancies reserved for self-declared black and brown candidates, the candidate must have phenotypic traits that characterize him/her as black, black or brown.
- 5.6. The self-declaration as black or brown made by the candidate will be subject to confirmation by means of a hetero-identification board, which will be carried out after the publication of the list of candidates approved in the selection process and before the enrollment period.
- 5.7. Omitted and doubtful cases not provided for in this notice will be resolved by the Program Coordinating Committees (CCP-PIPGEs-UFSCar and CCP/CPG-PIPGEs-ICMC-USP).
- 5.8. In the event that the self-declaration of racial affiliation is not confirmed by the hetero-identification committee, the candidate will only compete for vacancies intended for general competition.
- 5.9. If the number of successful candidates is less than the number of reserved places, the remaining places will be allocated to broad competition and filled by those approved, in the order of classification.

## 6. APPEALS

- 6.1. After the preliminary results are announced, in any of the phases, all candidates will be able to access their partial and final grades on the Program page.
- 6.2. Questions or appeals aimed at changing the final result will be received until the date indicated in Annex VI.
- 6.3. The appeal period will be unique, regardless of the candidate's position.
- 6.4. After the end of the appeal period, no queries seeking to change the result for any reason will be received.
- 6.5. Questions must be completed via the form published on the Program page.
- 6.6. The candidate must identify themselves on the form with their full name and the same email address provided in the registration, and objectively indicate their question and request for an appeal, that is, the candidate must indicate which item(s) of the note they believe to be incorrect and why.
- 6.7. Only the candidate himself may appeal his grades and/or position in the selection process.
- 6.8. All questions, whether or not resulting in a change in grade and position on the classification list, will be analyzed and answered.

## 7. FINAL PROVISIONS

- 7.1. Notice deadlines that fall on non-business days will be automatically extended to the next business day.
- 7.2. The candidate's registration in this selection process implies acceptance of the rules and instructions contained in this notice and in the communications already issued or that will be made public on the Program page and/or in the Official State Gazette.
- 7.3. All information regarding the selection process will be available on the Program page (<https://www.icmc.usp.br/pos-graduacao/pipges/ingresso>). It is up to the candidate to access it, and there will be no subsequent claim of ignorance of the information available there.
- 7.4. PIPGEs, CCP/CPG-PIPGEs, ICMC-USP and DEs-UFSCar are not responsible for failure to complete the registration due to technical reasons relating to computers, communication failures, congestion on communication lines, as well as other factors that make it impossible to transfer data. data and documents. It is also not responsible for any type of problem or cybercrime that results in registration not being completed.
- 7.5. Omitted cases will be resolved by the PIPGEs Executive Committee.
